

Security Swipe for Entry/Parking Pass

Indianola Children's Center (ICC) is a secured building. In order to access the building, submit your Ohio Driver's License Name/Number, prior to your child's first day at ICC. *Anyone who is a "regular" drop-off/pick-up person needs to submit this information and be listed on the authorized release form, as well.

ICC will shred this document once the driver's license(s) are in the system.

List your name and license number EXACTLY as it appears on your **Ohio** driver's license:

*First Name: _____ Middle Initial: ___ Last Name: _____

License Number: _____
(6-numbers only – ICC does not need letters)

I need _____ # of Gray Cards for the following authorized pick-up people: _____.

Drop-off & Pick-up Parking:

I/We will need _____ # of parking passes. Parking pass is valid for drop-off, pick-up and/or ICC sponsored events.

Use the 2 Loading Zones directly in front on the ICC entrance on Waldeck (just North/to left of church). If these slots are full, go around the block and park in the lot across from the Indianola Presbyterian Church (IPC) at 18th and Waldeck. If you are here for an ICC-sponsored event, keep your ICC pass on the dash. That way, you will not need to pay for parking.

The back lot by the outdoor play areas is for ICC and IPC staff only. Please do not park there. The lot at Waldeck and Iuka, as well as the 2 loading zones are for ICC parents/families. Parking in the church driveway before the loading zones is not permitted. That is the IPC church staff space. Thanks for your cooperation.
